FA Qualified Coaches CRB Checked

Stockholm FC are running football camps for Boys & Girls aged between 5-13 years of age to take part in our 4 day football course running in school holiday breaks.

Beginners & advanced players are all welcome as coaches will assess and put the children into groups to suit their ability.

The course will run in two sessions. The morning will contain structured lessons to learn all the skills and basic techniques of football. After lunch break all afternoon sessions will be small sided games. On the last day a Penalty Shootout Tournament will take place to encourage all the children to use the skills they have learned.
